Zhejiang provincial economic data. Provincial GDP increased 13.6 percent in 2006, with per capita GDP now USD 4,000 -- well, USD 3,975 to be ex

15. (C) Zhejiang gets to keep about half of the fiscal revenue collected in the province, with about half sent to the Central Government. In 20 Dismissive of Overheating Concerns

16. (C) The Ambassador asked whether Central Government officials are concerned about possible economic overheating in Zhejiang. Secretary Xi r Shouldering Burdens of Central and Western China

17. (C) Another issue about which Zhejiang officials are very concerned is the gap in income and economic development levels between the wealth An Important Destination for Migrant Workers

18. (C) Zhejiang makes two other important contributions to the national economy. First, Zhejiang hosts China's second largest population of mi BEIJING 00001840 003 OF 007
locare are counted as residents. Furthermore, in the large number of migrant workers seeking work in Zhejiang are a great many who come to this An Important Contributor to Economic Development Elsewhere

19. (C) The other important economic contribution by Zhejiang is the role of 4.4 million businesspersons from Zhejiang are working outside the

110. (C) Nearly all other provinces have sent delegations to Zhejiang to study the province's experience and success. In recent days, delegatic Income Gap and Urbanization Rate

111. (C) The Ambassador inquired about income disparities within Zhejiang Province. Zhejiang has the second lowest provincial urban/rural incom

112. (C) Zhejiang has maintained these remarkable results because it is an economy of the grassroots -- the common people choose their own deve Hearing from the Grassroots Level

113. (C) The Ambassador asked how provincial party and government officials hear from the citizenry and what are the BEIJING 00001840 004 OF 007
most frequent concerns or complaints directed to Zhejiang officials. Secretary Xi said provincial officials have many sources of information, m Concerns about Education, Housing and Health Care Common

114. (C) Zhejiang residents are most concerned about three basic issues: education, affordable housing, and health care, Secretary Xi said. The Officials' Work Styles Another Common Concern

115. (C) Another area in which dissatisfaction has been expressed regards the working style of government and party officials, Xi added. We wil Crime and Wastefulness, Too

116. (C) Secretary Xi briefly mentioned crime and government waste as other topics of public complaint. He did not elaborate any further on cri Expectations for This National People's Congress Session

117. (C) Shanghai Consul General Jarrett, noting the important role of the private sector in the Zhejiang economy, asked Secretary Xi about the BEIJING 00001840 005 OF 007
People's Congress and expected passage of a Property Law. Is there any dissent against the proposed law in Zhejiang? What will the law mean for

118. (C) Another measure to be passed in this NPC session will unify corporate taxation rates for foreign-invested enterprises and domestic ent Rule of Law in Zhejiang Province

119. (C) The Ambassador asked for Secretary Xi's views on the development and implementation of rule of law in Zhejiang. Xi replied that the Pa Xi's 2006 Visit to the United States

120. (C) The Ambassador asked Secretary Xi for details of his May 2006 visit to the United States and whether he had had opportunity to exchang

121. (C) The May 2006 trip had proven fruitful for Zhejiang, Secretary Xi continued, with several important contracts

SIPDIS signed that only more recently or even in the near future will be implemented. Among those agreements is one involving Federal Express, BEIJING 00001840 006 OF 007
be in order. The Ambassador thanked Xi for his support to Motorola for that company's production plans in Hangzhou. Motorola is doing well in E
